

Message from  
Janet Catherine Dea  
Toronto Heliconian Club  
Music Section, Chair  
(2009-2010)

Dear Music and Art Lovers:

It is with great excitement that I present to you the 2010 Concert Series. After the success of our inaugural subscription series in the intimate, and acoustically perfect Heliconian Hall we return with another offering that will delight and charm your soul.

As we embark on a musical journey that will take us from the exhilaration of romantic love, through childhood reminiscences, we'll travel to lands far afield. The five concerts feature singers, pianists and other instrumentalists drawn from the Heliconian Club's professional musicians and invited guest artists. Reflecting the multi-disciplined nature of the club, select concerts will also highlight talented visual and literary artists.

Won't you please join us as we celebrate *Music in the Heart of Yorkville*. If you want to find out more about all that the club has to offer, please visit [www.heliconianclub.org](http://www.heliconianclub.org).

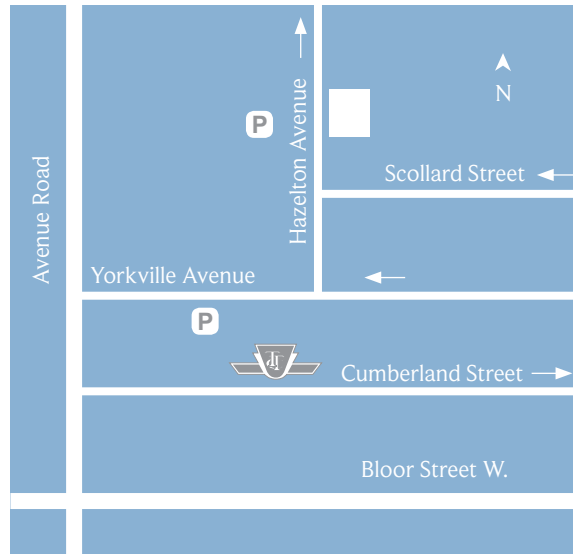

I look forward to seeing you soon . . .
