### The Toronto Heliconian Club

*A Meeting Place for Professional Women in the Arts and Letters.*

#### Message from **BARBARA FRIS** Head of Music (2008-2009)

"As this year's continuing Head of Music and on behalf of the Section, I am pleased to be able to introduce to you the launch of the **"Heliconian Music Subscription Series"**, a five-concert series brought to you by the multi-talented members of the Music Section and their esteemed colleagues drawn from the Club's membership-at-large and the artistic and performing arts community from across Canada.

*This series principally features the Club's Section Members who make up the Club's five sections: Art, Drama, Humanities, Literature and Music (from the legendary muses of Mount Helicon).* As part of our mandate and ongoing community outreach, joining them are respected women of recognized status in their chosen professions from various disciplines. *All have come together to help launch this new subscription series in honour of the Club's Centennial Year (1909-2009).*

While this year is the first for our subscription series, we do hope that it will be the start of a long-standing tradition at the Toronto Heliconian Club. Won't you please join us as we embark on celebrating 100 years since the founding of the Club! Together, we can continue to fulfill our mandate of presenting activities that generate active interest in and advancement of the arts in the broader community. You'll find out more about all that the Club offers by visiting the Club's website at [www.heliconianclub.org](http://www.heliconianclub.org).

I look forward to seeing you soon ...

Barbara Fris, Soprano Soloist & Voice Instructor  
 Assoc. Ed. & Lic., B. Mus. (Honours Music Performance),  
 Op. Dip (Opera Performance), Member of CAEA, ACTRA, AGMA

## “Celebrating Poulenc”

Launching our inaugural music subscription series, we celebrate the works of French composer Francis Jean Marcel Poulenc (1899-1963) member of the French group Les Six. Critic Claude Rostand, in a July 1950 Paris-Press article, described Poulenc as “half bad boy, half monk” (“le moine et le voyou”), a tag that was to be attached to his name for the rest of his career.

**Sundays May 17 & Nov 29 3:00 pm**

**“Mary Reza Memorial Student Recital”**  
Our annual event - featuring students of the teaching members of the Music Section, remembering **MARY REZZA**, A.R.C.T (Piano Performance), former Club member, Head of Music, pianist and accompanist to Catherine Robbin, Jon Vickers and many emerging musicians and Canadian performing artists.
